

# TRAVEL PROTECTION PLAN WAIVER

We strongly recommend that you purchase a travel protection plan to protect your trip investment and yourself while traveling. If you choose not to purchase this plan, please sign this waiver and return it to your travel provider.

Your trip deposit and final payments are non-refundable.

Before signing this waiver and departing on your trip, consider these questions:

- Does your insurance cover you outside the U.S.?
- Can you afford to be medically evacuated?
- What if your baggage is lost, stolen or delayed?

Medical evacuation, trip cancellation, trip interruption and baggage are all important coverages available with a travel protection plan.

I have been advised that a travel protection plan is available and strongly recommended. I **do not** wish to purchase this protection.
